WELCOME TO 32 WALKER ST!

A building that prioritises human connection, knowing your neighbours and your mental health.

ACKNOWLEDGEMENT OF COUNTRY

32 Walker Street, North Sydney stands on Gadigal land. We acknowledge the Gadigal Peoples of the Eora Nation and pay respect to Elders, past, present, and future.

This land, this place, holds memories, the traditions of Australia's First Peoples. Today, we continue to use this space to gather, to create, and build community, acknowledging our privilege in gathering here, and honouring those who have come before us.

SO, WHAT IS GOOD WORK?

The Good Work program is a joint effort between the Little BIG Foundation and your landlord EG, to build and maintain happy, healthier, kinder communities at work. We aim to foster a sense of belonging that reduces loneliness and contributes to a positive work environment.

Each year we conduct a survey, speak to tenants, carry out focus groups and interview the building management team to gather feedback to understand the interest areas of those working in the building. We ask them what would help them connect. Why? Because the world is becoming a lonely place and coming to work should be good for you.

It is our goal to make this a community where the little 'hellos' can lead to big connections.
