# WELCOME TO 95 NORTH QUAY!

A building that prioritises human connection, knowing your neighbours and your mental health.

## ACKNOWLEDGEMENT OF COUNTRY

We acknowledge the Turrbal people as the Traditional Custodians of Mianjin (Brisbane) and pay respect to Elders, past, present, and future.

This land, this place, holds memories, the traditions of Australia's First Peoples. Today, we continue to use this space to gather, to create, and build community, acknowledging our privilege in gathering here, and honouring those who have come before us.

## SO, WHAT IS GOOD WORK?

The Good Work program is a joint effort between the Little BIG Foundation and your landlord EG, to build and maintain happier, healthier, kinder communities at work. We aim to foster a sense of belonging that reduces loneliness and contributes to a positive work environment.

Each year we conduct a survey, speak to tenants, carry out focus groups and interview the building management team to gather feedback to understand the interest areas of those working in the building. We ask them what would help them connect. Why? Because the world is becoming a lonely place (in fact, 1 in 3 people are lonely in Australia) and coming to work should be good for you.

It is our goal to make this a community where the little 'hellos' can lead to big connections.

## PLACES TO GO, THINGS TO DO

Nestled in sunny Brisbane's legal precinct, the area is home to the Supreme and District Courts and a stone's throw from the CBD across the Victoria Bridge.
